

## Appendix A: Self-assessment form

This self-assessment form should be completed by the complaints officer and it must be reviewed and approved by the landlord's governing body at least annually.

Once approved, landlords must publish the self-assessment as part of the annual complaints performance and service improvement report on their website. The governing body's response to the report must be published alongside this.

Landlords are required to complete the self-assessment in full and support all statements with evidence, with additional commentary as necessary.

We recognise that there may be a small number of circumstances where landlords are unable to meet the requirements, for example, if they do not have a website. In these circumstances, we expect landlords to deliver the intentions of the Code in an alternative way, for example by publishing information in a public area so that it is easily accessible.

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation

Landlords must not stop their efforts to address the service request if the resident complains.	No	Service requests not previously recorded on Complaints Register	This is now in place to record accordingly.
1.6	An expression of dissatisfaction with services made through a survey is not defined as a complaint, though wherever possible, the person completing the survey should be made aware of how they can pursue a complaint if they wish to. Yes	Chrysalis Complaints Policy	Clearly defined within the policy
2.4	If a landlord decides not to accept a complaint, an explanation must be provided to the resident setting out the reasons why the matter is not suitable for the complaints process and the right to take that decision to the Ombudsman.
